

ERLEBNISPARK STRASSWALCHEN

Austrian large family and experience park.

In a beautiful nature park domestic figures are represented in unique way. Visitors can move through the experience park from the charmforest into the wild west. The swan-boats slide past to sound lot the dwarf city mushroom living with the merry dwarf king, while the passengers admire in the multicolored wild- west train the proud Indians in front of their wigwams and as well the Wild- West- City.

Inside the adventure country Africa is the eastern city with restaurant and a 3D Movie, a raft travel makes the visitors courageous jungle researchers and leads it past to elephant´rock, the lion cave, the rinoceros´, river horses and black native. A genuine “ safari mood” obtains an adventurous jeep travel in the jungle.

With the Pirat ship you will feel the Storm of the sea like the Pirates of the Bounty did.

Life-large “ fable-figures ”, charm forest and bear theatre or the rapid formula 1 course let the hearts of the visitors strike more highly. Each quantity fun guarantees also giant wave chute and the large “ trampoline spring board” installation. Underneath the “ fairy tale Castle” the small children are pleased with that merrily Wurlifahrt.

In the old timer cars it continues to a journey around the world. The travel with the ferris wheel guarantees a beautiful view over the entire park as well as the wonderful mountain world, also you can make a ride with the snail monorail on 4 meter high around the mushroom Dwarf city.

The family and experience park Straßwalchen is the largest and most popular recreational park of Austria.

A further restaurant with terrace is located in “ Wild West City” Town. The family friendly prices load thirsty and hungry visitors to a brake. Visitors should take a half day at least, in order to enjoy all the many attractions.

The family and experience park Straßwalchen guarantees fairy tales, play and fun for the whole family.
